• Faculty-led grant
• Student-led grant
• Mini student-led grant
• Student travel grant
Faculty-led Grants

Provide students opportunity to get paid ($1000/AY semester; $2500/spring-summer) to conduct research with faculty mentor

Apply for positions at svsu.edu/careerservices
Check for positions at any time of year
Student-led Grants

Provide students with up to $5000 to pay for both supplies and student salary to conduct their own research.

Grant applications are due October 31 and March 15. Funding begins the following semester.

Mini Student-led Grants

Provide students with up to $250 to use as seed money to initiate research project

Applications accepted at the beginning of every month

Student-travel Grants

Provide students with up to $1500 to travel to present their research at professional conferences

Applications accepted at the beginning of every month

UGRP students attend monthly professional development workshops

• Learn how to conduct ethical research

• Develop a strong mentor/mentee relationship

• Showcase UGRP experience on resume and in interviews

• Attend/present at your first professional conference

• Discover future possibilities with UGRP
Provide opportunities for students to become UGRP Student Ambassadors

- Program is still developing...

- What are you doing at your institutions to create ambassador programs?
